Liability Release (to be completed by Parent/Guardian if participant is a minor) *

In consideration of the benefits and opportunities afforded to me through participation in the United Sound organization, the undersigned participant states as follows: 1. I hereby agree to release United Sound, Inc., from any liability for any accident, injury, or illness suffered at, during, or in connection with any United Sound activity. 2. I understand that the teachers who charter individual United Sound chapters are not employees or staff of United Sound. They are employees of the school district with which they are employed and are responsible only to that entity. 3. I understand that, in connection with any United Sound activity, if I am riding in a private passenger automobile which is involved in an accident, I may be primarily covered for bodily injury under my family automobile policy, and I agree to submit any medical bills incurred to my insurance company for payment. If my policy has been issued with a deductible clause relative to the personal injury protection, I understand that I have assumed that deductible on primary coverage. 4. If I am being transported in a commercial carrier or other leased or rented vehicles in connection with a United Sound activity and an injury occurs, I understand that I shall look to the commercial carrier or owner of the leased or rented vehicle to pay any medical bills incurred as a result of such injury. NOTE: The undersigned agrees to assume all risk of accident, injury, or illness that may occur at, during, or in connection with any United Sound activity.
